

Ivo Gregurec

Senior Interface Expert

(Front-end Developer | UX/UI designer)

I'm a Croatia based developer with 15+ years of work experience in developing and designing user interfaces for web and SaaS applications. I love working in team and discussing the strategies with my colleagues.

As a father of three, a husband, and a provider, I take my job seriously!

Skillset

front-end development, responsive layout, information architecture, UX design, UI design, IxD, motion design, visual communication, logo design

Hobbies

Hiking, Kayaking, GeoCaching, DIY improvements, historical reenactment, podcasting.
